

Queen Victoria

Here are 2 copies of Queen Victoria's Census form from 1861. The first one is a copy of the original and the following one a translation that may be easier for you to read. (I can't guarantee that several of the names or places are correct!)

Use the census form to answer the following questions:

- 1) How old was Queen Victoria in April 1861?
- 2) Where in the UK was the Census form filled in?
- 3) Where was Queen Victoria born?
- 4) How old was Prince Arthur in 1861?
- 5) What was the occupation of a) Henry Hilfolye?
 - b) Eugine Thine?
- 6) Queen Victoria had 9 children but only 7 were present on Census day 1861. Find out who was missing.
- 7) Find out who Queen Victoria's mother was and who became king after her death.
- 8) Use the website at http://www.royal.gov.uk/output/Page118.asp to find out how long after this Census was taken in April 1861 did Albert die?
